## About Vitelco Leather

Vitelco Leather is all about gorgeous calf leather that can be turned into gorgeous products. Vitelco Leather is 100% calf leather from calves raised on our own veal farms, 100% verifiable and traceable, 100% high quality.

# Information

## Last chance to purchase Dutch calf leather!

As Vitelco Leather prepares to close its tannery, we are offering a final sale of our entire stock at exceptional prices.

### Available in a wide range of colours and finishes:

- 7,000+ pcs finished
- 11,000+ pcs crust

## Pricing per piece

Each leather selection has a coloured tag.  
The colour determines the price.

You'll receive special prices for larger quantities.

|   |                   |

### Our own 100% Dutch calf leather

Vitelco Leather supplies high-quality Dutch leather from its own calves for creating beautiful leather products. The calves are raised on our own veal farms.

## 41. Van Gogh

Hennesy

# Floater / Pebble

Floater, also known as Pebble, is Vitelco Leather's signature textured calf leather. Its natural grain and slightly rugged finish create a stylish, durable surface perfect for casual yet sophisticated accessories and footwear. Flexible and resilient, it develops character with age, making every piece unique.

## Our own 100% Dutch calf leather

Vitelco Leather supplies high-quality Dutch leather from its own calves for creating beautiful leather products. The calves are raised on our own veal farms.

# Crust

Vitelco Leather's Crust is premium calf leather left in its natural, unfinished state, ready for custom colouring and finishing. Supple yet strong, it provides an ideal canvas for designers and artisans seeking complete creative control. Perfect for bespoke projects, Crust delivers exceptional quality and versatility from start to finish.
